facebook & twitter

We have created a facebook and twitter page to give our clients and customers another way to communicate with us and express their opinions and thoughts about the work we do. We can then take that feedback and think of ways we can improve our company and help build a brighter future!

Don't forget to like us!

Not only will the facebook and twitter pages be a great place to give us feedback but it will also be a great opportunity for you to keep up to date with our current projects and look at our photos and videos of our completed case studies.

New River Youth Centre

We were pleased to be involved with the New River Youth Centre Project in White Hart Lane, a project sponsored by Tottenham Hotspur Football Club and Haringey Council.

The new youth centre was refurbished by us with a new food serving area, exercise floor and boxing ring. The Sports hall had lighting installed and the whole place re-decorated.

The New River Youth Centre is personally being sponsored by the Spurs captain Ledley King, who came down to help with the decorating and some plastering works with the help of local youth club members who were delighted to meet him, as so were we.

Sky Sports New and the Papparazzi came down to interview Ledley King. Ledley King will be looking after the project and to encourage the local youth to get into sport and lead healthier life styles.

You never know we could have our next footballer or gold medal winner coming from this project over the next few years.

NIGHTINGALE PRIMARY SCHOOL

During February half term we conducted works at Nightingale Primary School. The works consisted of erecting scaffolding to repair the bell tower on top of roof and decorate it.

We then went back to Nightingale Primary School during the Easter holidays to carry out full redecorations of corridors, two large classrooms, reception, three offices, chill out room and main hall. We also sanded and varnished the hall, reception and chill out room floors all within ten days.

Monks Close

We have just completed works at 13 Monks Close, Enfield, EN2 8DZ. The works included a rear extension to the back of house with a new patio outdoors.

Brand new dormer windows and bi-folding door were installed with roof lights. Inside was also painted and decorated.

Before start
of Project

Dancing with daffodils

We have sponsored our good client Capel Manor College for their "Dancing with Daffodils" garden at the Ideal Home exhibition with a donation of £500.00.

The show was visited by Prince Charles who met up with the design team.

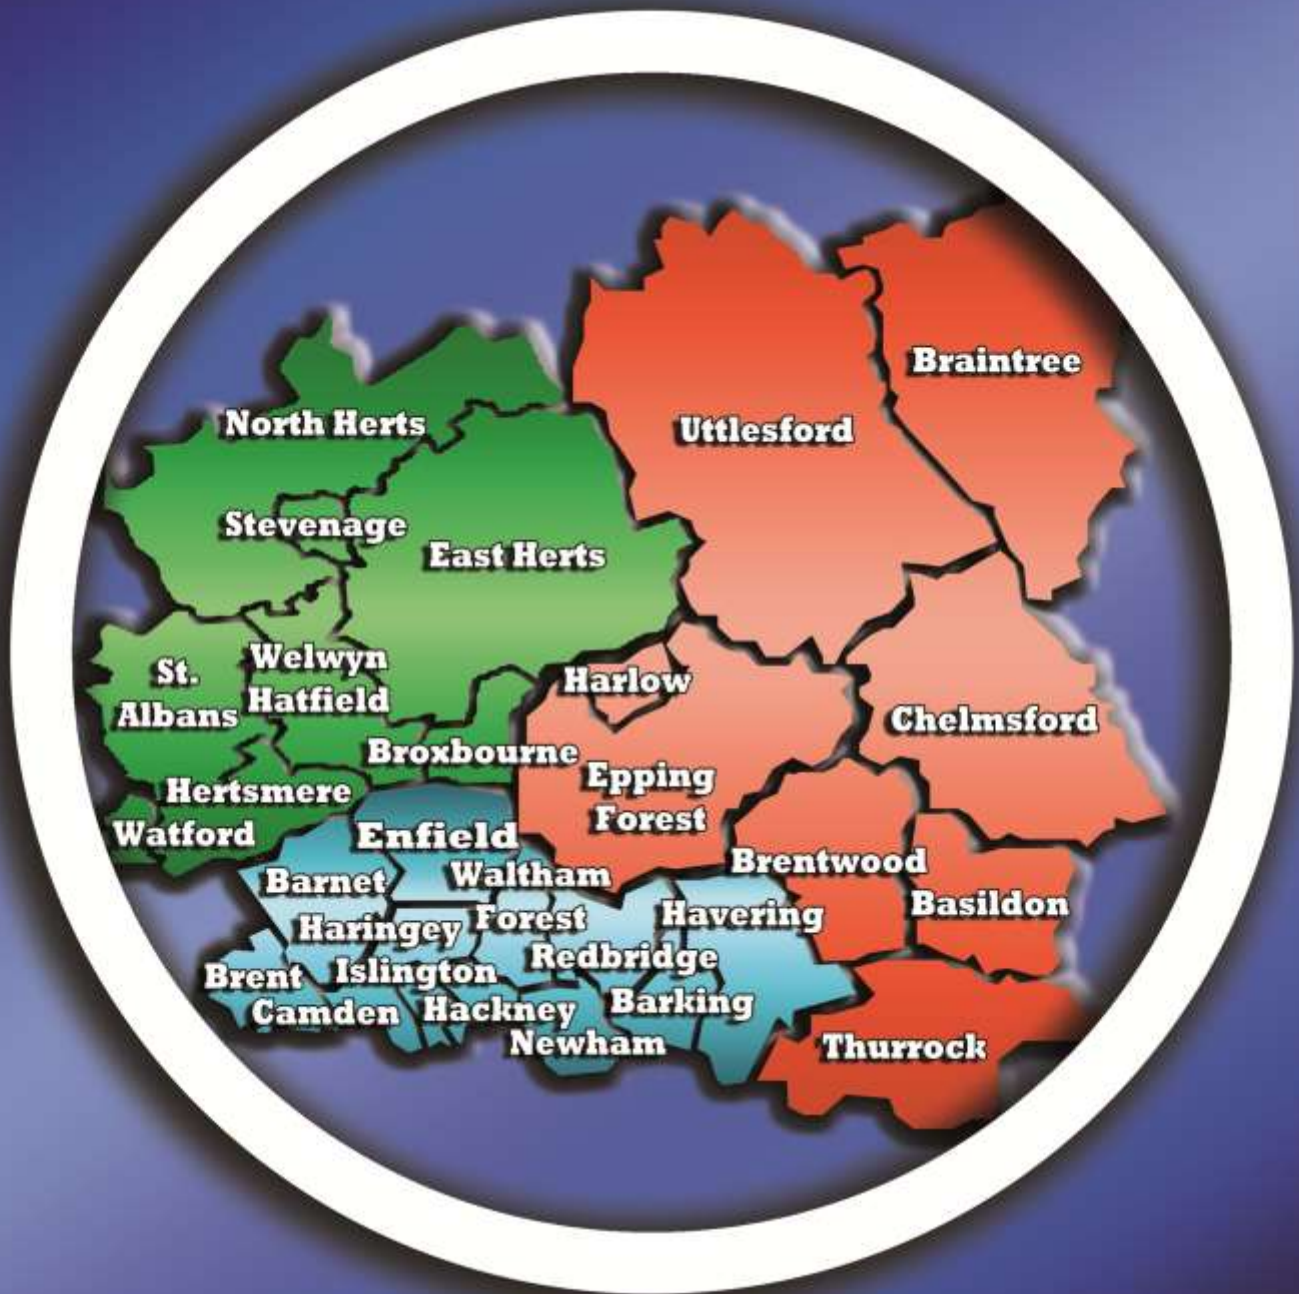

ISABEL HOSPICE
PROVIDING LOCAL CARE FOR LOCAL PEOPLE SINCE 1982

This month's charity is the Isabel Hospice and we have made a donation of £200.00 to help towards the fantastic work they do. If you would like to donate or find out more please call them on 01707 382500 or visit their website at www.isabelhospice.org.uk.
